FILTER PROJECT UPDATE

Our club **International Project Committee**, headed by **Lee Warren**, has put out the word in District 7600 that we are looking for partners to complete an attempt at a "Matching Grant International Project". With the help of **P. D. G. Jim Pearce** the word was passed to a five state area (**Zone 33**). The word has also spread to the Districts attending P. E. T. S this past weekend. The committee is currently working to get signed commitments from the other clubs wishing to join the project in an effort to accumulate the **\$5,000** minimum to apply for the grant. Lee has arranged for a club in Haiti to partner with us in order to complete the "International" part of the project. Emails and some phone calls are coming to committee members from clubs seeking details on the project and how to join the group. The other three clubs under **A. G. Bruce Settle** have all committed to join us in the project.

QUOTE OF THE WEEK

"Rotary will grow if leaders lead. The leaders in every club need to come forward and be optimistic in planning for their club's futures." Michael K. McGovern, Chair of RI's Membership Development and Retention Committee and Past RI Vice President.
